High School for Nariyambattu

* 2224 *Q.*—Sri A. A. RASHEED : Will the Hon. the Minister for Finance be pleased to state whether there is any proposal to open a High School in Nariyambattu, Gudiyatham taluk?

The Hon. Sri C. SUBRAMANIAM : No, Sir.

Sri A. A. RASHEED : Is the Hon. Minister aware that within a radius of five miles, there is no high school although there are four higher elementary schools and if so, will the Government reconsider the matter and open a high school?

The Hon. Sri C. SUBRAMANIAM : Till now there has been no representation in regard to this matter from the District Board or from the public. So, if proper representation is made through the proper authorities, the matter may be considered during the next year.

Sri A. A. RASHEED : Is the Hon. Minister aware that representation has been made to the Collector of the North Arcot district and he replied that unless contribution from the public was forthcoming, the high school would not be opened and if so, will the Government consider the opening of a high school without insisting on any contribution from the public?

The Hon. Sri C. SUBRAMANIAM : Sir, certain conditions have been laid down for the opening of high schools by the District Board which no longer exists but now the Collector will have to take action. So, those conditions will have to be satisfied.

Sri R. SRINIVASA IYER : The proposal of the Government is that the local board high schools will be taken over and maintained by the Government. How far has that proposal been implemented after the abolition of the District Board schools because after the abolition of those schools, high schools are not being managed directly by the Government?

DEPUTY SPEAKER : How does this question arise out of the main question?

The Hon. Sri C. SUBRAMANIAM : Also the hon. Member cannot base a supplementary on a supplementary question.
